

Hi :

New Brand. Same Values.

Introducing the first sneak peek at our new brand.

OUR NEW PRIMARY LOGO

We've been hard at work the last 6 months bringing our brand visually into alignment with our values and focus. We hope you love the result as much as we do.

NEW WEBSITE

We want to start showing our new site off to you and using it because it's got many helpful features we believe you'll appreciate, not to mention signing up for this week's dinner specials! Please take a look around and let us know your favorite parts. *Note that a few areas are still being completed.*

What's missing for you to feel 100% amazing? Take this fun, short quiz to find out.

OUR WHOLISTIC WELLNESS PROJECTS

Our wellness projects each have their own sub-brand and section. You can click each image here to go to that project's page.

AND THERE'S MORE!

- **Haven University**, our online learning center, with courses on our system of the 7 Dynamics of Health as well as an easy way to sign up for personal coaching, is being completed spring 2022.
- **Club Haven** can be joined now and will have added features like a club dashboard coming shortly.
- **The Haven Store** is also being created with wholistic products for your body, mind and home. Expect this to be live this spring and ever-evolving.

THANK YOU!

For being part of our community. We look forward to continuing to grow with you and are very excited for this next chapter in Haven's evolution.

To your cozy winter,
Sam and the Haven Team
